## To Minami Boso via the Aqualine across Tokyo Bay

1. Follow the Shuto Kosoku over the Rainbow Bridge toward the Aqualine
2. Take the right turn after Odaiba, heading toward/past Haneda Airport following the signs for the Aqualine. Pass through a number of tunnels. As you head under the long tunnel after Haneda Airport, stay to your left. The Aqualine turn comes up quickly.
3. Through the Aqualine tunnel under Tokyo Bay and over the Aqualine bridge. Stay on the highway, following the signs for **Kisarazu and then for Tateyama**. You'll take the left fork and then right turn toward **Tateyama, not Chiba city**. You'll be on the Tateyama Expressway heading toward Tateyama. This highway connects Tokyo with Tateyama. Go to the very end. Exit 24 at Tomiura.
4. After passing through the toll gate at the end, take a left turn at the traffic light. At that point you'll be on the "by-pass" or Rt. 127.
5. Continue on for about 5+ km, past convenience stores, small Odoya market on left, pachinko parlors, etc. After you pass Cainz Home Center, D-2 and K's Denki on the left, you'll come to an intersection with a BIG Odoya Family Center and a McDonald's diagonally to the right. **Turn left at this light. This is Rt 128 heading to Kamogawa.**
6. Go about two km. You'll pass Awa Chiki Iriyo Center (hospital) on your left (just after the golf driving range). About two more kilometers to Ina Cross traffic light . You'll see the big sign to Chikura and beaches. Turn right at the Ina Cross light but don't go over the railroad tracks.
7. Continue up and over the hills and curves, through the tunnel at the top for about five km, go over the railroad crossing w/ bright red/orange, very ugly pachinko parlor on right, to the **traffic signal at the "T" intersection**. Turn left at the "T". Go 120 meters down the road, take your first right turn at the blinking traffic signal.
8. Straight down this road. You'll see the ocean straight ahead after a minute. Look for an official looking, new, beige building, the hoken center (known as Yu 5 7) on the **left side, 150 meters before the ocean. Big parking lot on the left. Not the right side JA building. Enter the lot on the left and park, back center**. Call me and I'll walk over to get you - 30 second walk from the lodge. Looking forward to seeing you.

Don't put our telephone number into your Car Navi. We're not directing you to our lodge but to the facility next door (**Yu 5 7 - tel. 0470 44 3577**) with a large parking lot.

**That address is 2705-6 Seto, Minami Boso shi, Chiba-ken.** You'll make it.
