Winter 2020 - 2021

COMMUNITY SKI/BOARD ADVENTURES - SINCE 1985

We have just completed our 22nd season of Summer Camp. Please contact us to learn more about our very successful COVID-19 protocols.

Once again, we have organized winter camps for children and winter adventures for adults, families and friends in the international and Japanese communities.

Our trips take us to Yokote-yama (2307m) in Shiga Kogen, home of the 1998 Winter Olympics. We stay at New Yokote Lodge located high on the mountain, at the top of the first chairlift for ski-in/ski-out ease. Travel by Shinkansen between Tokyo St. and Nagano St. and by hotel bus to the lodge. This season we are considering traveling by private charter bus.

Our "Family" trips coincide with our "Winter Camps" for children. Campers will stay in the front of the lodge with our staff while "Family" trip guests will be in the "ensuite" rooms in the newer part of the hotel. All guests are welcome to participate in many of our camp activities.

WINTER CAMPS IN NAGANO

Our winter camps offer a three-night English-language ski and snowboard adventure for children in a residential camp setting.

Each of our three camps allow beginners to learn to ski or snowboard (if age/skill level appropriate) in a safe environment with our professional instructors. Campers with experience will see their skills and their confidence increase. There will be supervised "free" skiing/boarding on the last day for those who get the "OK" from their instructor and parents. Our Instructors are all professionals from the Shiga Kogen Ski School and the International Ski School.

Lessons begin just outside the lodge, at the top of the first chair lift. Classes return to the lodge for lunch and a rest before heading out again in the afternoon. Bingo, journal writing, board games, sledding, videos and much more after lessons and after dinner. Our camps are designed for elementary and middle school students, usually from eight to 14 years of age. Parents are very welcome to join our trip at greatly reduced cost. Children below eight must have a parent along on the trip. Please email or call for details.

Our staff consists of international school teachers and counselors from Nanbo Discovery Camp, our summer camp in Chikura. We have been using the wonderful New Yokote Lodge since 1985 for our trips. Please join us on one of our winter adventures this season.

In order to operate each of our winter camps, we must have a minimum of **16 campers per session**. Thank you for your understanding.
